SUN VISOR

☞ With the ignition on, lift the flap; the mirror is illuminated automatically.

To prevent dazzle from ahead, fold the visor downwards.

It can be disengaged from its central fixing and pivoted over to the side windows if required.

TOLL CARD/CAR PARK TICKET WINDOWS

Facility for affixing toll cards and/or car park tickets.

These windows are located on each side of the base of the rear view mirror.

They are two non-reflective areas of the athermic windscreen.

The athermic windscreen limits heating of the passenger compartment by reducing the effects of the sun's rays (ultra-violet). It consists of a reflective layer, which also blocks certain radio-electric signals (toll card payments, ...).

PANORAMIC SUNROOF

System which consists of an area of panoramic tinted glass to increase the light and visibility in the passenger compartment. It is fitted with 2 independent manual blinds to help maintain a comfortable temperature.

Opening

☞ Raise the blind's handle and release.

Each blind is fitted with a roller which stores it once you release it.

Closing

Front blind

☞ Pull the blind rearwards until it locks in.

Rear blind

☞ Pull the blind forwards until it locks in.
